

# PIT Calibration Data Sheet

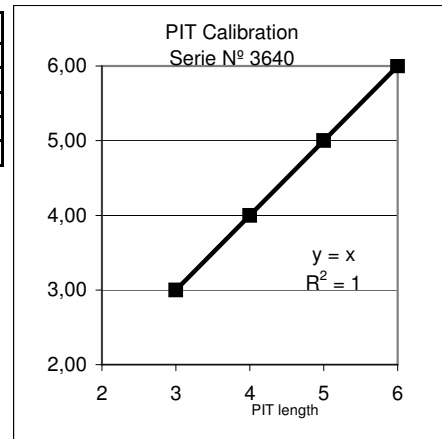

|           |            |
|-----------|------------|
| Date:     | 03/07/2012 |
| Sensor:   | S-20033    |
| Operator: | AR, CM     |

|             |          |
|-------------|----------|
| Hour:       |          |
| Temp. (°C): | 20       |
| Range:      | 0,0-6,0m |

Concrete Block Data:  
 Dimensions:  
 20x20x20 cm  
 Weight: 18,7 kg  
 $\rho = 2,3319 \text{ kg/dm}^3$

| Column length (m) | measured length (m) |
|-------------------|---------------------|
| 3                 | 3,00                |
| 4                 | 4,00                |
| 5                 | 5,00                |
| 6                 | 6,00                |
